KKK Appears Headed For Second Deficit

Despite almost ideal weather conditions for the annual Klondike Kampers Karnival held in mid-July, an interim report presented at last Thursday's regular meeting of the Chamber of Commerce indicated that the event would likely show a deficit again this year.

Figures are not yet complete but point to the possibility of a loss of somewhere in the neighborhood of $200. This is on top of $800 still owing against the 1965 edition of KKK.

Bob Cowan, reporting for the committee, stated that present figures indicate an income of about $3,150 while expenses total somewhere in the neighborhood of $3,350. Final figures are not yet available, and he held out little hope for any improvement in the situation when the books are completed.

The gate at the riverside campground accounted for about half the total income and less than 3,000 admissions were sold during the two-day event. This came as a shock to the Chamber membership considering the almost ideal weather conditions.

The matter was discussed briefly at Thursday's meeting but tabled for further discussion until the Klondike Kamper's Karnival committee has had an opportunity to meet and report to the Chamber.

Population Now 3,305

Preliminary 1966 census figures received recently by Town Council from the Dominion Bureau of Statistics reveal that Drayton Valley's population is now 3,305.

The census, taken in June of this year, shows a decrease in population of 460 from the 3,765 figure in 1961.

Nine hundred and nine residences are occupied in the community.

Art Classes to Start Oct. 6

The winter session of the Community Art classes, as arranged by the Department of Extension, will commence in Drayton Valley on Thursday evening, October 6th.

Anyone wishing to join, or for further information, please call 542-3083 or 542-3269 and be sure to attend the tea and local art exhibit in the Elk's Hall on Saturday, September 24th from 2 to [illegible] m. There will be a lucky door prize and money from the proceeds will go toward a donation to the Centennial Fund.

Three Council Seats Open

Nomination Day is set for Tuesday, September 27th when Returning Officer, Bill Johanneson will accept nomination papers between 11:00 a.m. and 12 noon.

Three vacancies will have to be filled on Town Council. F.E. Thompson has resigned and moved to Grande Prairie and terms of Councillors Walter Krause and Mary Burrows have expired.

One vacancy must also be filled on the Drayton Valley Municipal Hospital Board and two on the Separate School Board.

POLICE CHIEF RESIGNS POST

The resignation of Police Chief A.W. Miles, to take effect this month, was received Monday by Town Council. Mr. Miles has been a member of the local police force for the past nine years.

In an interview with Mayor Howard Pickup Tuesday morning The Western Review learned of Mr. Miles resignation as Chief Constable and EMO Co-ordinator.

Mr. Pickup commented on the patience displayed by Chief Miles over the years in his work as it affected young people and particularly his efforts on behalf of the youngsters in Pedal Pushers. He stated, "His (Mr. Mile's) efforts in the Emergency Measures Organization has kept our community continually in the lead."

Mr. Miles has not announced his immediate plans but is understood to be contemplating another line of endeavor.

Over the top goes one of the young hill climbers who took part in last Sunday's motorcycle competition. Lee Casey of Edmonton and formerly of Drayton Valley, is the rider shown above. The youngster at the left covers his ears at the hill-top uproar.

Motorcycle Hill Climb Feature of Weekend

A motor bike hill climbing contest for young people was held at the Drayton Valley toboggan hill Sunday afternoon and trophies presented to the winners in four bike categories.

Results were as follows (based on two runs): Class 50-65cc, Kenny Goble - 33; Allison Waugh, 35.3; Allister Waugh, 52.

Class 80-90 cc, Jean Simon, 36.2; Dale Brown, 37.7.

Class 100-150 cc, Terry Sharkey, 24.1; 2, Judy Gobault, 25.3; Lee Casey, 25.9; Leonard Urchyshyn, 27.8; Jack Cathrea, 29.5; Don Bouschard, 33.

Class 250-300 cc, Brian Briere, 19.5; Neil Moore, 20.3; Ron Astle, 22.1.

Dave Ellery (left) and Archie Griffith, winners of the Labor Day canoe race are shown above as they beach their canoe following the victory.

Ellery and Griffith Win Canoe Race

The team of Archie Griffith and Dave Ellery topped a field of six entries to win first place in the Drayton Valley water Festival Canoe Race on Labor Day, September 5th.

The race was run over a course of 27 miles from Blue Rapids to the Drayton Valley bridge. Canoes left the starting point at 11:50 and the Griffith-Ellery team arrived at the bridge at 2:16 p.m.

Times of all entries are as follows: 1st, Griffith and Ellery, Drayton Valley, 2 hours, 26 minutes; 2nd, Hardy and Tally, Edmonton and Barrhead, 2 hours, 27½ minutes; 3rd, Desjardin and Haire, Drayton Valley, 2 hours, 31½ minutes; 4th, Maxwell and Fisher, Rocky Mountain House, 2 hours 35 minutes 5th Samis and Dr. Maclure, Drayton Valley, 2 hours, 52 minutes; and 6th Vowk and Bauman, Drayton Valley, 2 hours and 54 minutes.

The Griffith-Ellery team also placed third in the Alberta White Water Race held in July behind teams from Manitoba and British Columbia.

Three members of the Alberta Centennial Canoe team, Dave Ellery of Drayton Valley, Francis Tally of Barrhead and Wes Maxwell of Rocky Mountain House, took part in the Labor Day race.

Trophies for the first three finishers, to be presented when they arrive, were put up by UFA Co-op, Imperial Lumber and The Western Review.

A jet boat for rescue purposes was supplied for the race by M and R Trucking of Drayton Valley.

Plan to Form Canoe Club

Plans are afoot to form a local canoe club and arrangements have been made for an organizational meeting to be held on Friday, September 16 at 8:00 p.m. in the Scout Hall.

Anyone, in any age group who is interested in pleasure canoeing, racing or rafting is asked to attend the meeting when it is hoped to form the club and elect officers.

Fred Raven, who is instrumental in calling the meeting, stated that some of the finest paddlers in Alberta live in Drayton Valley and it is hoped that their example and canoeing ability can be utilized in encouraging more youngsters to take up the sport.

Rooms Already Reserved for Centennial Events

Another indication of the increasing pace of Centennial activities as they effect Drayton Valley was pointed out this week by Barney McGlone, Manager of the Drayton Valley Hotel.

Mr. McGlone reports that rooms are already being reserved for next year's activities. Six have been reserved to date for the Voyageur Canoe Pageant in May, 1967, and another 28 are being held for the Centennial Caravan appearance on July 2nd, 3rd and 4th.

Reports indicate that representatives of major news media across the North American continent will be among the visitors to this community.

Good Crowd for Elks Barbeque

Residents of Drayton Valley and district had the opportunity to attend another barbeque and dance in the Elk's Hall on Saturday evening.

Members of the B.P.O. Elk's barbequed for a capacity crowd from 6:00 to 8:30 p.m. The crowd appeared to stow away the steaks as fast as the barbeque crew over their 'smoke pits' could supply the sizzling T-bones and sirloins. Dancing to the music of the Rivieras orchestra kept the lively crowd going until midnight.

The B.P.O. Elk's will be sponsoring another similar event on October 15th. The hope has been expressed that anyone interested in attending will secure their tickets well in advance to avoid disappointment.

2014.10.1978

1450 Enrolled in Four Schools Here

Fourteen hundred and fifty boys and girls are back at work for another term in Drayton Valley's four schools.

The Drayton Valley Elementary School has the largest enrollment with 510 pupils in grades 1 to 4 followed by the Junior High School with 399 students in grades 5 to 8. St. Anthony's Separate School has increased enrollment this year from 224 last June to 281 and Frank Maddock High School has 260 students attending grades 9, 10, 11 and 12.

High School enrollment is broken down as follows: grade 9, 75; grade 10, 85; grade 11 50; and grade 12, 50. The Junior High School has 103 in grade 5, 115 in grade 6, 104, in grade 7 and 77 in grade 8. At the Elementary School 140 are newcomers in grade 1, 133 in grade 2, 128 in grade 3 and 109 in grade 4.

HIGH SCHOOL TEACHING STAFF

Members of Frank Maddock High School teaching staff are as follows: Mr. R. Woods, Principal, Mr. T. McManus, Vice Principal, Mr. J. Courtney, Miss A. Hutson, Mr. T. Claypack, Mrs. J. Patrick, Mr. A. Madsen, Mr. K. Katyal, Miss F. Thompson, Mr. T. Hutton, Mr. D. Hall, Mrs. I. Braybrook, Mr. J. McGuigan, Mr. L.P. Bradley and Mr. Torok-Both. Mrs. E. McManus is secretary-librarian.

New members of the staff this year are Mr. Woods, Miss Hutson, Mr. Claypack, Mr. Katyal, Miss Thompson, Mr. Hutton, Mr. Hall and Mr. Torok-Both.

JUNIOR HIGH TEACHING STAFF

Teaching at the Drayton Valley Junior High School are: Mr. D.E. Humphreys, Principal, Mr. R. Murray, Vice-Principal, Mrs. J. Harris, Mr. W. Loewen, Mrs. G Blair, Miss M. Thompson, Mrs. L. Ross, Mrs. E. Letwiniuk, Mr. J. Gudz, Mr. H. Cymbaluk, Mr. L. Torok-Both, Mrs. B. Henkel, Mr. B. Finlay and Mr. A. Baker. Mr. D. Hall and Mr. T. Hutton of the High School Staff will also teach physical education at the Junior High.

New members of the Junior High School staff are Mr. Loewen, Mr. Torok-Both and Mr. Baker.

ST. ANTHONY'S TEACHING STAFF

Members of St. Anthony's teaching staff for the current academic term are as follows: Mr. J.A. Orieux, Principal; Mr. R.P. McDonald, Vice-Principal, who both teach in the Junior and High Schools; Mrs. F. Davey and Sister Marie Edna share the grade 1 classes; Mrs. Poelzer and Mrs. J. Belanger are the grade 2 teachers; Mrs. Annemarie Haack, grade 3; Miss Mason, grade 4; Mrs. Hazel Lingard, grade 5; Mrs. Jennie Greschuk, grade 6. Sister Marie Gabriel, Mrs. Dianne Hegholz and Walter Long teach subjects in the Junior High and High School along with the principal and vice-principal.

New staff members of St. Anthony's School are: Mrs. Hazel Lingard from Hants County, Nova Scotia, Miss B. Mason from Richmond, Quebec Mrs. F. Davey from Evansburg, Mrs. J. Belanger from Lindale, Mrs. Annemarie Haack from Calgary, Sister Marie Gabriel from Valleyview, Mrs. Poelzer from Porcupine Plain, Saskatchewan, Mr. Walter Long from Castor, Alberta and Mr. R.P. McDonald from Drayton Valley, as well as staff members who were with St. Anthony's school during the last academic year and who include Mr. Orieux, Mrs. Greschuk, Sister Marie Edna, and Mrs. Dianne Hegholz.

ELEMENTARY TEACHING STAFF

Mr. R. Elliott is principal of the Elementary School and members of the staff are: Grade 1; Mrs. Dorothy Vowk, Mrs. Isobel Hoyland, Mrs. Elaine Kobernick, Miss Margaret McDonald and Mrs. Cheryl Born. Grade 2; Mrs. Eleanor Phillips, Mrs. Joyce Stuart, Mrs. Christina Arnold, Mrs. Evelyn Dion, Mrs. Ruby Hurley and Mrs. Margaret Nordby. Grade 3; Mrs. Dawn Baker, Mrs. Rosemarie Mayan, Mrs. Lata Katyal and Mrs. Anna Sware. Grade 4; Mrs. Grieb, Miss Althea Duncan, Mrs. Olga Brown and Miss Hazel Kuehn.

Secretary is Mrs. Shirley Machan. Appointment of a librarian and a teacher for an opportunity class is still awaited.

W.A. Meeting

All Saints Anglican W.A. held its regular monthly meeting in the Parish Hall on September 7th. There were ten members present. Mrs. Tyler led the educational period. It was decided to hold a rummage sale in the Parish Hall on September 23rd. Anyone having any used articles to donate please phone Mrs. Hewlett at 542-4124.

Fund Still $5,500 Short

With $5,500 still required to reach the Centennial Fund goal of $34,000 the Centennial Commitee is seeking further support of the campaign Many people have indicated a willingness to contribute to the fund and the committee asks all those who have not yet donated to help now to reach the fund total.

4-H Garden Club Holds Achievement Day

Christine Romanchuk,
Reporter.

The Drayton Valley 4-H Garden Club held its annual Achievement Day and Banquet in the Legion Hall, August 29. Mrs. Mariene Jubinville, our district home economist and Miss Kathy Day were present to judge the displays. This year, being the eve of Canada's Centennial and there being ten girls in the club, each girl chose a province and built her display around it. A gift from the club was presented to the gift with the best display.

The Legion ladies catered and we would like to give them a special thanks. We were very honoured to have Mr Mr. Neil, the manager of the Royal Bank and his wife attend Mr. Neil presented the award for best achievement. We were sorry that our Wheat Pool man, Mr. Ness, couldn't attend, but Mrs. Jubinville filled in for him and presented the award for the best garden. Mrs. Shirley Vowk presented the award for the best display. After the awards the club presented the guests with a skit which took in all the "happenings" in parliament in the past year. Also we presented a skit concerning the Family Plan.

After the banquet Mrs. Jubinville gave comments concerning the Achievement Day. After her comments the awards were presented. Following are the winners of the awards: Best Garden - Marilyn Vowk; Achievement Day Winner - Valerie Hutchinson; Best Display - Valerie Hutchinson. The efficiency winner hasn't been announced yet.

Eileen Kjorlien, the president of our club presented the leaders, Mrs. MacKenzie and Mrs. S. Vowk, adult advisors, Mrs. Dusterhoft and Mrs. Hutchinson and the rest of the mothers with gifts for doing such good work for the club.

A record hop followed after the gifts and awards were presented. We would like to thank all those who attended.

Convention of Weekly Editors

Publishers from more than 50 Alberta weekly newspapers will meet in Calgary, September 15th, 16th, 17th.

Delegates and their wives will register for the convention on Thursday in preparation for two days of business sessions, resolutions and talks.

Feature speaker at the convention will be the Hon. A. J. Hooke, Alberta's Minister of Municipal Affairs.

NOTES From The Lions Den

Lion president, Adam Eckert conducted his first meeting of the 1966-67 term on Tuesday, September 6th in the Cardium Room at the Drayton Valley Hotel.

Guests for the evening were: Mr. Jeet Khuller of the Morinville Lion's Club, Mr. Ross Thompson, Mr. Vern Jones and Mr. Krishan Katyal. Mr. Katyal is the new Math-Science teacher in our school. We in the Drayton Valley Lion's Club welcome both Mr. Jones and Mr. Katyal, who are newcomers to Drayton Valley.

Lion Cliff Erickson, chairman of our annual Light Bulb Campaign, has set the last week of September for his campaign. All members of the Lion's Club will be calling from door to door with these bulbs and we hope that the people of the town will respond by buying their bulb requirements from us. This is one of the ways we have of raising money which is required to complete our project in the Drayton Valley Lion's West Valley Park.

This park is for public use and we hope that the citizens of the town will make use of the free picnic, barbeque and playgrounds.

There's one thing about baldness -- it's neat.

How Do You Win?

Even with almost ideal weather conditions Klondike Kampers Karnival appears to have come up with a deficit again this year. Depressing as this might be to us as spectators--it must be hopelessly frustrating to the people who poured hours and days of effort into planning and preparation of the event.

We are aware that hindsight comes much easier than foresight and with this in mind we suggest the type of show offered at the river grounds just does not warrant the attendance anticipated by the KKK committee. Finishes of the canoe and raft races are interesting but of brief duration--after they are over there doesn't seem to be too much to keep the grounds busy for two days.

If we could come up with some form of activity that keeps spectators enthused between the water race finishes then it might be possible to keep the grounds humming throughout the day. This is going on the assumption that the river continue as the basic ingredient of the show and the question immediately arises as to the possibility of producing a water type festivalof sufficient interest to attract large throngs when you are definitely limited by the vagaries of the North Saskatchewan.

Perhaps some thought should be given to moving away from the river theme and keeping the canoe and raft races as a part of a different type of show. What this might be we don't pretend to know and without directing any criticism at anyone, suggest that we, as Chamber of Commerce members, should get our heads together frequently before embarking on next year's Klondike Kampers Karnival.

What's Your Centennial Project?

Canada's 100th birthday party is fast approaching and it is hoped that many Canadians are beginning to ask themselves, "What can I do for a Centennial Project."

Communities and business firms across the nation are forging ahead with a wide variety of projects--but to make the party a success every Canadian must be enthused about this greatest year in our history. What better way to get enthused than to start your own personal Centennial undertaking?

We don't have any particular suggestions but your project could be a birthday flower bed, a centennial tree, raising a flag pole or decorating your home and yard appropriately.

Many people must have good ideas about observation of the Centennial. We are sure the Centennial Committee would like to hear them as would this newspaper.

Across The Editor's Desk

BUSY WEEKENDS

A feature of Drayton Valley that has been most apparent during our first year here is the amount of entertainment available to young and old alike who are interested in attending. There appears to be no lack of social activity and the weekends would keep a sportswriter busier than a one-armed paper hanger.

Last weekend was no exception. We enjoyed the head-knocking at the football field when the PeeWee Eskimos and Stampeders fought for glory on a perspiration soaked gridiron and then off to the tobogan hill and the cycle climbing event.

This is a pretty rich weekend for one who's sports activities are usually confined to turning the pages of Sports Illustrated.

Watching those young fellows tearing around the football field almost makes you feel like getting out for a game of yards with the boys. Craftily we put these ideas aside quickly -- we've been suckered into games in the past that either came close to costing you the price of a picture window or limping for the rest of the week on a throbbing charlie horse.

We now confine our active participation in football to getting up for refreshments during the TV commercials.

The hill climbing, too, provided quite a thrill. The boys and girls wound their bikes up at the bottom of the hill until they were screaming like banshees and then zipped to the top in a cloud of dust and exhaust smoke.

This is something else that looks as though it would be fun to try--but I won't. I learned many years ago about bikes and hills although in those days they were leg-powered and we got our kicks going down rather than up. The day I plowed a long furrow on a river-bank hill with my nose convinced me of the folly of this type of sporting activity.

* * * *

We close on a inspirational note with this verse from the pen of the Immortal Bored:

"I eat my peas with honey,
I've done it all my life,
It makes the peas taste funny,
But it keeps them on my knife."

The Mayans invented their calendar abour 300 B.C.

The Lionel Bird family of the Carstairs-Cremona district has been named 1966 Master Farm Family for West Central Alberta. Left to right, they are: daughter Sylvia, 20; Mr. Bird, Senior; Mrs. Bird, Lionel Bird, daughter Lillian, 15, and son Grant, 17.

Master Farm Family Named

The Lionel Bird family of the Carstairs-Cremona district are deserving recipients of the Alberta Master Farm Family Award in 1966 for West Central Alberta due to their close family ties, their understanding and application of agricultural principles, their neighborliness and interest in community and National affairs.

The Bird farm program is very simple and very effective. Eight quarter sections of land are included in the rotation each quarter section being treated as one field, with five quarters in grain and three in grass legume mixture. There has been no summerfallow on this farm for over ten years, but the clean, heavy crops signify the effectiveness of the program and the high level of seed and soil management.

Commercial fertilizer is used heavily and regularly on all land, while the barnyard manure is used to improve problem areas. Recently cereal crops have been limited to oats and barley. All of the trash, with the exception of straw that is used for livestock, is worked back into the soil.

The livestock program consists of the purchase of beef calves in the autumn. They are wintered principally on hay but a small amount of grain is fed if the hay is poor. The cattle are pastured the next year until autumn, then fed heavily for 100 days before market. The seeded pasture and much of the high quality hay is utilized by this program which also takes advantage of the non-arable land and the creeks that run through the farm. About 150 two-year-olds are marketed annually.

The Bird family are always searching for new information and methods of production. This is noticeable in their complement of machinery, especially that which is used for haying. A swather-crimper cuts and windrows the hay allowing early baling. An automatic bale stacker is used for stacking. About 350 tons are given shed storage and the remainder is put up in the field. Hay is a very important source of farm income.

The farming program used by the Bird family has been developed to operate in one of the most severe hail belts in the province. Cropping to coarse grains allows damaged crops to be used for feed. The extensive haying program, together with high grain yields, provides a large feed reserve to take care of disaster years.

Records have been kept on the Bird farm for many years. They give a complete picture of operations and have been used repeatedly and extensively to indicate changes that should be made. Mr. and Mrs. Bird do their own record-keeping.

Both Mr. and Mrs. Bird come from pioneer families in the Cremona area. Mr. Bird, Sr., who homesteaded on the present farm in 1903, still has his own home within the farmstead.

The Bird family, has over the years, been a strength and influence in the community. They are leaders in agriculture, innovators in practices, and an example of the qualities that signify a true Master Farm Family.

The largest room in Carlsbad Caverns has a floor area of 14 acres.

Lodgepole News

Mr. and Mrs. Bill Brodersen, Randy and Gloria visited with Audrey and Steve over the Labor Day weekend.

Mr. and Mrs. Ed Kison and daughter Cheryl and her girl friend Sharon Cunningham of Edmonton, visited with Mr. and Mrs. John Vanderleest and boys.

Mr. and Mrs. Harold Siebert and Jodi of Edmonton were visitors to Nadine's parents, Mr. and Mrs. G. Pedersen, Cheryl and Mardell.

Mr. and Mrs. Wendell Elliott and son Dean, and Mr. and Mrs. Walter Petruniak of Edmonton, visited with Mr. and Mrs. Henry Elliott over the weekend.

Mr. and Mrs. Steve Petuh of Mulhurst and Mrs. Fercho of Westakiwin spent the weekend with Mr. and Mrs. Phil Petuh and family.

Mr. and Mrs. Gunter Schmidt and family attended the wedding of Anne's brother, Mr. Albert Hummel of Stettler.

Mr. and Mrs. Stan Brooks and wee daughter and Mr. and Mrs. Stan Makowski and daughters of Red Deer were weekend guests of Mr. and Mrs. Ray Andersen and family.

Mr. Ed Rosentreter returned home Monday from Anzoc, Alberta.

Mr. and Mrs. Carl Carlsen of Saskatoon, spent the weekend at the Rosentreters, returning home Monday morning.

Mr. and Mrs. Joe Herbst, former residents of Lodgepole dropped in Sunday to visit with Mr. and Mrs. Ray Andersen.

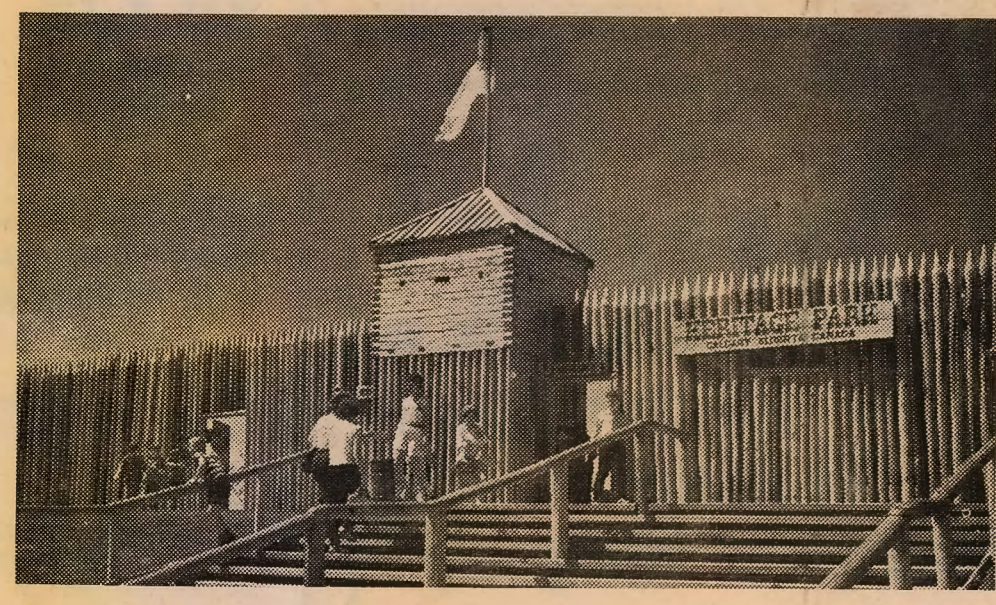
HISTORY STAYS ALIVE IN HERITAGE PARK



A visit to this unique pioneer community makes you proud to be an Albertan!

The smithy works at his forge, using equipment that dates back to the turn of the century. At the station the train, with its tall-stacked locomotive, is loading passengers. Many will get off at "Bowell Station", to embark for a voyage on the stern-wheeler "S.S. Moyie". Meanwhile, back at the general store, youngsters are buying sticks of horehound candy. These are only a few of the things to see and do at Heritage Park, Calgary - a complete community from Alberta's rugged and independent pioneer era, with streets of stores, homes, school, church and pallisaded fort. We salute the enterprising Albertans who conceived, created and donated pioneer artifacts (including whole buildings!) for Heritage Park. The result - an authentic re-creation of yesterday's Alberta!

After your visit take home a copy of "Heritage Park Memories", an illustrated souvenir album sponsored for Heritage Park by Calgary Power.

Serving Albertans for over half a century

New System of Game Control

Hunting regulations announced by the Fish and Wildlife Branch, Alberta Department of Lands and Forests, indicate that upland bird hunters will be following the Wildlife Management Unit system for the first time this year.

The system was introduced last year to big game hunters and has proven a versatile method of managing wildlife resources. More extensive use of the system is being employed in the 1965 big game regulations, while waterfowl seasons are set on a standard north south division.

Antelope hunting regulations remain similar to the system introduced last year. Licenses are issued on a draw basis for seven designated hunting areas with the open season being October 23 to 30 excluding Sunday, October 24th.

For waterfowl hunters, the province has been divided into North and South areas, the dividing line being Highway 16.

Hunting season started September 13th in the Northern section and September 24 in the South. Limits have been set at five ducks per day, with a possession limit of 10.

Goose limits have been set at five daily, with a possession limit of 10.

Upland bird game limits are now listed by management units. Through this method, the Fish and Wildlife Branch expects larger, but better controlled, bird harvests will result. Certain areas opened September first, with others opening October 1 and October 15.

Big game seasons vary considerably in different areas, but generally opened September 1 in the more inaccessible regions and September 14 in the more accessible mountain regions.

In establishing the management units, the province was divided into five major regions each differing from the other in climate, soil, vegetation and type of game. Each region was further divided into Wildlife Management Units, 134 in all, numbered in series according to the region.

This arrangement provides more flexibility in management units in which hunters may operate. When a specific area is found unsuitable for hunting due to a depletion of the game population, it may be closed, while surrounding units with good populations of game are left open to hunters.

Renewal Study In Hinton

OTTAWA--Approval of a $1,507 federal contribution to the Town of Hinton, Alberta for an urban renewal study was announced last week by the Honorable John R. Nicholson.

The objective of the study is to identify any areas which are blighted or substandard, as well as provide information on which to base an urban renewal scheme and plans to prevent further deterioration.

John H. Holloway of the consulting firm of Makale, Holloway and Associates, Ltd. Edmonton will oversee the study expected to take a month and estimated to cost $2,010. The federal contribution, as part of the government's program to reduce poverty and increase opportunity, will cover 75 per cent of the total cost.

The contribution is made under a section of the NHA which provides federal aid to municipalities undertaking urban renewal studies.

Scouts and Cubs Resume Meetings

First meetings of the new season for Drayton Valley Scouts and Cubs were held this week at the Scout Hall.

Scouts meet each Tuesday evening at 8:00 p.m. under the guidance of Scout Master Jack McLean.

Three cub packs meet on three different evenings each week. Mr. Leniuk takes one group at 6:30 p.m. Monday, Mr. McKenzie another at 6:30 p.m. on Tuesday, and the third with Mr. Tyler meets at 6:30 p.m. on Thursdays.

More boys are welcome to attend and become members of the scouting family. Boys between the ages of 7 and 11½ years may join Cubs and from 11½ to 15 Scouts.

SCHOOL FLASHES

Frank Maddock High School

Much to the relif of students and teachers the timetable for Frank Maddock is finished. Mr. Woods and Mr. McMannus surely deserve applause for getting it done so quickly. With the schedule finished, its back to the books and regular classes started Monday.

Plans for Scope 67 are well under way with most of the positions filled with willing workers. The yearbook from last year, Scope 66, are expected to be available for students sometime this week.

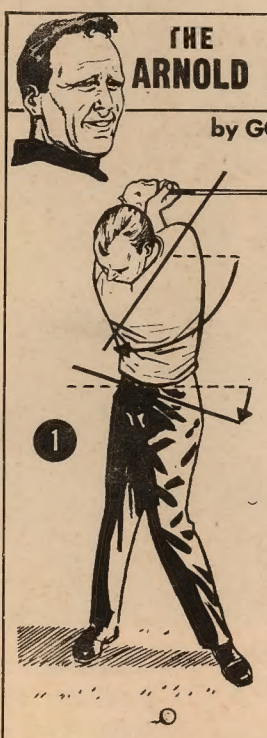
THE ARNOLD *Palmer Method*

by GOLF'S 4-TIME MASTERS WINNER



SHOULDER TURN MUCH FULLER THAN HIP TURN

You will note in No. 1 that my shoulders have turned much more completely than my hips during my backswing. In past years golf professionals have advocated a large hip turn, but this thinking is a bit old-fashioned now.

We have learned that a very full shoulder turn, coupled with a minimal turning of the hips, creates a vast build-up of potential power during the backswing. It creates a very full coiling of the back muscles (No. 2).

If you took a coiled spring and turned both of its ends the same way, you would get no additional tightening in the spring. But if you held one end still and turned the other end, you would get more tightening – and a powerful release when you let go of the spring. This same principle applies, more or less, in the golf swing.

Airlift in Operation

Shown above is a helicopter working with a drilling rig on a tight hole in the Zania Lake area in north-western Alberta. The photo was taken by Vernon Kerber who went north with Eric Myck to install the tarps on the rig. They flew into the field from High Level by helicopter which is the usual method of transporting the rig camps and all supplies in the area. According to Mr. Kerber the lease cost $1,362,870 for 320 acres, hence the canvas secrecy.

Bantam Wildcats Play In Calgary Saturday

The Drayton Valley Bantam Wildcats will be travelling to Calgary this weekend for a game with a top Calgary team on Saturday, September 17th.

The local team, sponsored by the Drayton Valley Athletic Association, made a fine showing recently in playing to a 13-13 tie with the Safeway Seals from Edmonton.

The team will leave Drayton Valley at 7:00 a.m. Saturday and return the following day. They will be guests at a dinner following the game and also on tap for the same evening is free attendance at the Calgary-Winnipeg CFL game as guests of the Calgary Minor Football Association.

The team, coached by Paul Bradley and managed by Mike Gormley, is made up of boys up to 15 years of age and not more than 155 pounds.

Although the final list is not yet complete some of the boys who will be making the trip are: Doug Ibbotson; Stefan Hoge; Don Bouschard, Danny Bartlett, Pat Haggerty; Jerry Obst, Stan Oulton, Tom Tucker, Ron Wilson, Ricky Gabrielson, Terry Jevne, John Teeter, John DeCiccio, Bob Patterson, Jack Tucker and Cameron Ward.

GUESS AGAIN

Policeman: When I saw you driving down that road, I said to myself, "Fifty-five, at least."

Woman motorist: Well, you are wrong! It's only this hat that makes me look that old.

Thursday and Friday - September 22 and 23 - DO NOT DISTURB - Doris Day and Rod Taylor.

D. V. Highlights

BY MRS. EDITH DEBY

Mrs. Whitson, district director, and Mrs. Holt, Constituency Convenor, were guests at the regular meeting of the Women's Institute on Monday evening. Mrs. Holt spoke of the work being done in her own branch at Cosmo and at other branches throughout the constituency and gave valuable help regarding guest speakers and film strips. Mrs. Whitson asked that all W.I. members give serious though to the aims of our organization. "Are we adapting to world change?" Mrs. Whitson emphasized that all change must start at the branch level.

Mrs. Sadie Keary of High Prairie was the guest of Mrs. Edith Dunnington for a few days.

Mrs. Neil Wolfe of Calgary, and daughters Debbie and Cindy and Mr. and Mrs. Mike Kaliciak and sons Mark and Henry, were guests of Mr. and Mrs. Nick Urchyshyn's recently. Mrs. Wolfe and Mrs. Kaliciak are Mr. Urchyshyn's nieces.

Mrs. Peter Morton and daughter, Kim, of Montreal, were guests of Mrs. Morton's brother-in-law and sister, Mr. and Mrs. Dan Bills. Mrs. Jenkins, Sr. of Parksville, Mrs. Bill's mother, spent some time with the Bill's family.

Mrs. L.L. Williams was well enough to come home last week. She had been a patient in an Edmonton hospital for two weeks.

Mr. William Robinson hopes to be well enough to return to his job with the town soon. He has been on sick leave for a month.

Mr. Bill Norquay has gone to a new job at Pine Point.

Lodgepole News

On Sunday September 4th while the Warburg Buffalos were playing in the Provincial Playoffs at Alix, Barry Panky had the misfortune of colliding with his team mate, GaryBredin. They were both taken to the Stettler hospital where Barry was found to have a broken nose and required 10 stitches to the nose and face.

Mr. Len Kay has moved the Direct Lumber building up beside his store.

A Pot Luck Supper was held in the Community Hall on Sunday, September 11th to bid Chuck Alton farewell. Chuck has been our student minister since May. After a delicious supper and the cutting of the cake, Chuck was presented with a purse of money. Chuck expressed his thanks to one and all.

I see the hunters are moving in by the truck loads.

We wish to welcome Mr. and Mrs. Bill Davies and family to our community. Mr. Davies is our new Ranger.

Sunday School re-opens Sunday, September the 18th. Anyone who is interested in helping out please contact Clara Schultz. Teachers are urgently required.

Mr. and Mrs. Harry Goett and family of Red Deer were guests of Mr. and Mrs. C. Gaett and Kelly, over the weekend.

Chamber Briefs

Activities of the Evergreen Tourist Association were reported at last Thursday's general meeting of the Drayton Valley and District Chamber of Commerce.

Harry Zolmer and Howard Pickup, local representatives on the association's board of directors, stated that money put up by Drayton Valley has been matched dollar for dollar by the Alberta Tourist Bureau and about $460 is available to the town for some type of tourist allocation. No suggestions of a project for use of the money was received at the meeting

Mr. Pickup requested permission to relinquish the position on the board of directors in favor of Mr. Barney McGlone who has expressed interest in tourism work. The Chamber will contact the Evergreen committee and such approval of the change.

* * * *

The matter of signs in the area was introduced and it was suggested that signs were badly needed to guide interested persons to Jacknife Springs in the Brazeau Dam area. Also mentioned was the need for signs to indicate to strangers directions to the riverside campgrounds and in the grounds signs indicating where to camp or park trailers.

Both suggestions are to be taken care of as soon as possible.

* * * *

Interest in the Howse Pass by the Edmonton Chamber of Commerce sparked some discussion in the local body. It was decided to invite the transportation group of the Edmonton Chamber to attend a meeting here in October to discuss the subject which is of considerable concern to both groups.

* * * *

The visit of an ARDA representative to Drayton Valley and his interest in the potential of the riverside campgrounds was again reviewed. The meeting was informed that ARDA (Agricultural Rehabilitation Development Act) would pay up to 80 percent of the cost of developing the park if long-range planning and development received its approval.

It was decided that a committee should be formed to begin preparation of a brief to present ARDA with a clear picture of what is proposed for the future of the park.

Named to the committee were Howard Pickup, Bill Johanneson, Ron Smith and Jack Bright.

* * * *

Bob Cowan reporting for the Educational Committee, stated that plans are going ahead for a course in "Personnel" with more details to be available at a later date.

* * * *

Bill Johanneson reported on the visit of the Nugget Trailer Club of Edmonton to Drayton Valley and stated that members of the club enjoyed their stay here.

* * * *

Annual meeting of the Canadian Chamber of Commerce will be held in Edmonton on October 2, 3, 4 and 5. It is expected that a few representatives from here will be able to take in portions of the convention.

For The Office Of	Term
Councillor	Three Years
Councillor	Three Years
Councillor	Two Years

At the same place, time and date above mentioned, nominations for members of the Board of the Roman Catholic Separate School Board No. 111, Two Trustees, Three Years; Drayton Valley Municipal Hospital District No. 7, One Member, from the Town of Drayton Valley will be received.

Given under my hand at Drayton Valley this 12th day of September 1966.

W. G. JOHANNESON,
Returning Officer.

Skating Instructors Required

Once again it is time to start getting prepared for the figure skating season. With an arena this coming season, we are looking forward to a bigger and better year and plans for the carnival already under way.

We had a large group of girls last season with about half having taken preliminary tests and passed, also some bronze.

Much to our regret we have lost both Mrs. Suitor and Mrs. Barnes this year. Therefore, we are in need of ladies who would be willing to help teach our younger girls figure skating. If anyone would be intested please call Mrs. Gladys McMorris at 542-3737 or Mrs. Gwen Simpson at 542-4249.

There will be a meeting for the figure skating club within the next few weeks. Watch for further notice in The Western Review.

Berrymoor News

Mrs. Bea Cropley,
Correspondent

Mr. and Mrs. Ralph Davidson of Edmonton were Sunday visitors at the Holmgren's and the Cropley's.

Ethel Wideman was home from Edmonton on the weekend.

Mr. and Mrs. John Johnston and Leeann, and Mr. and Mrs. Gordon Gillespie visited the Alberta Game Farm on Saturday. While there they met Mr. and Mrs. Don Ward. Don was raised in this district and for the past few years has been living in Saskatchewan. The party stayed at a tourist camp over night. The Gillespies visited folks in Edmonton on Sunday while the Johnstons went to Fort Saskatchewan to visit their son Clifford and his family. The two families took a picnic lunch and spent the afternoon at Elk Island Park.

Recent visitors at the home of Mrs. H. Barrett were her daughter and son-in-law, Mr. and Mrs. Harold Hansen of Edmonton; her granddaughter and family, Mr. and Mrs. M. Hagen from Red Deer; also Mr. and Mrs. Croteau from Edmonton.

Visiting Rose and Murray Schnieder on the weekend were her parents, Mr. and Mrs. Olenchek from Big River, Saskatchewan and Rose's brother and family, Mr. and Mrs. Bill Olenchek from Saskatoon.

Walley and Ivie Joneson from Edmonton were also recent visitors in the district.

We see that Bryan Barrett is sporting a blue Chevrolet lately.

Mae Marten has returned home from Drayton Valley where she was employed in the Post Office during the summer holidays. She is attending school again to complete her Grade 12.

Beth Holmgren is on the sick list with a strained rib cage. We hope she will soon be feeling better and will be able to have all that tape removed.

Gene and Judy have decided it will be more convenient for them to move to Calmar. They have rented a house there and Judy will attend her home school to finish her Grade 12.

Moon Lake News

Donna Cherrington,
Correspondent.

Sorry I missed last week's news but with school just starting, things seemed to be upside down.

On Saturday, the 3rd, Jackie and Jack Carlson held their wedding dance in the Moon Lake Hall. Everyone had a "stepping" good time to the music of the Moon Lake Ramblers.

Mr. and Mrs. Jay Town's daughter, Mrs. Stella Petrie of Dawson Creek is visiting them. We certainly hope you enjoy your stay in the community, Mrs. Petrie.

This weekend Mr. and Mrs. Milner of Edmonton paid Mr. and Mrs. Fred Cherrington a visit.

Clean up day at the Brightwood Cemetry was held on Saturday afternoon.

Mr. and Mrs. Harry Wall recently visited Salmon Arm, British Columbia.

Open House Planned at Double 'S'

Bob Simon announced this week that an Open House will be held at Double S Farm Supplies on Saturday, September 17th to display the Minneapolis Moline G1000 tractor and other new, modern equipment.

All farmers are invited to attend and register for a sweepstakes drawing that could win them the use of a Minneapolis Moline tractor for one year.

Five new tractors will be loaned free to farmers. Winners may choose the standard equipment Minneapolis Moline tractor of the size, type and fuel desired and may take delivery any time of their choice prior to April 1st, 1967 and use the tractor for one full year from date of delivery.

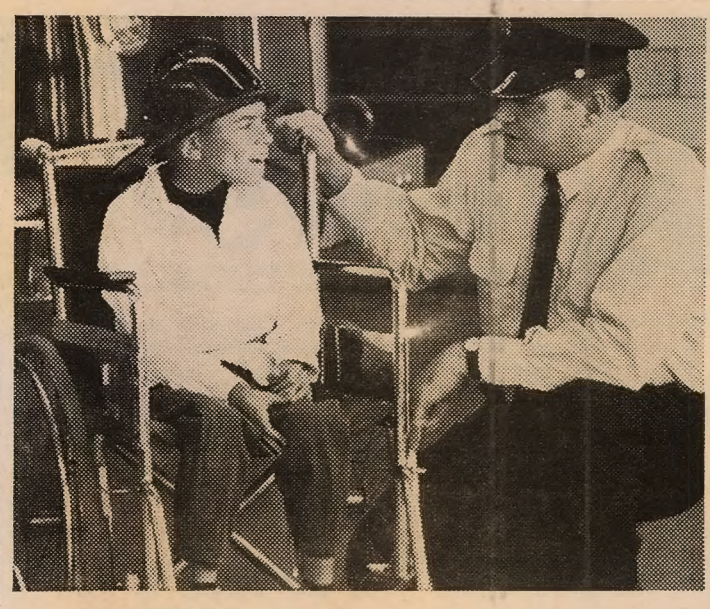
There are no puzzles to solve, no limericks to write--all you do is register on September 17th at Double S Farm Supplies using the official registration blank and your name is entered in the sweepstake.

Free coffee and doughnuts will be available and Bob Simon extends an invitation to all farmers to drop in and see the new equipment on display and meet your friends.

Meeting Notices

A list of regular meetings of local clubs and organizations is now being compiled by The Western Review. This list will appear once a month starting the last week in September.

Secretary's who would like to have the meeting date of their club listed are asked to phone The Western Review at 542-3425 with regular meeting date, time and place.



Ted Dakin is typical of thousands of Canadian fire fighters who help combat muscular dystrophy, not only by raising funds for research, but also by taking a personal interest in MD's young victims. One such victim, 12-year-old Kirk Clouthier, spends a happy morning with Ted on a tour of a city fire hall and forgets for a while that he lives under the shadow of muscular dystrophy.

fashion news

BY NANCY GAYLORD

FASHION CONSULTANT TO THE 160 SINGER CENTERS IN CANADA.

Lise Lotte loves hearts . . . in fact so much that she puts at least one on every dress or fabric she designs. They are the trademark of this talented young lady from Copenhagen, once a model for Seventeen Magazine.

Everyone should have her own trademark. A favorite perfume is the choice of one young elegant I know. Others specialize in exotic hats, unusual shoes or handmade jewellry. One of the nicest ideas for a trademark is a personalized design formed by dialing your initials on the controls of the new Touch & Sew* sewing machine by Singer. Forms a perfect border design for sheets, pillowcases, towels, lingerie, cocktail aprons and "you name it". I'm going to try it on a slither shift of linen . . . My own "trademark" forms a Spanish scrollwork design I'll use around neckline and sleeves.

Planning a trip? Never underestimate the possibilities of knits: nylon, Orlon, Arnel, cotton, wool and a host of others. All can be easily packed and come out wearable. Many are washable; some require little or no ironing. From swimming to cocktail hour, knits have the answer.

Whether you're planning a trip or just a comfortable stay-at-home, you'll find this trick handy (I discovered it while travelling for a living.) After unpacking, put everything on hangers. Turn on the shower (hot) until it's nice and steamy. Now hang all your clothes on the shower rod out of the way of the water. Removes wrinkles mass production style (especially in woolens) in about one minute.

I have been told that the fabric manufacturers have expansion plans for fall. We should find a greater variety of synthetic knits available for home sewing. If you don't find what you're looking for in your store, **ASK**. Our Singer store people, and many others, will stock the item you want if they receive enough requests.

When sewing knits, remember these tips:

1. Use a new needle and looser tension (practice on a piece of the fabric.)
2. Underline slim skirts or wear a fitted taffeta skirt underneath.
3. Iron-on interfacing works best around buttons and buttonholes, collars, cuffs and any other areas where a firm appearance is desired.
4. Make a tailor's hem: pink and machine stitch or zigzag raw edge of hem; then catch loosely to garment.

To be a fashion leader watch for :

* Bell and leg o' mutton sleeves
* Cuffed hip-hugger pants with stovepipe legs
* Bonnet hats and visor caps

Local Riders Take Part in Gymkhana

Last Sunday was the Northern Alberta Gymkhana Association's Championship Show. The Lariat Gymkhana Club of Drayton Valley being a member of the Association sent several riders in to compete. The results of our riders were as follows:

Under 11 years, Donnie Stewart again gave a fine performance of skilled riding by out scoring many other young boys and girls. Donnie placed first in barrels, first in pole bending and third in stakes. Roxane Schultz in her first championship show turned in a spectacular time in the Keyhole Race capturing first place in the event. Roxane also picked up a third in barrels.

In the 12 to 16 years class Betty McCullagh, our two time trophy saddle winner, again showed her riding ability by taking home for the third year running, the barrel, pole bending and stake trophies

Betty and her horse, Stormy have taken home many top awards in the six years these two have been together.

Patsy and Stephen Hoge placed 2nd in a novelty event, the helpful Hannah. This event is a test of skill in which the two riders have to saddle a horse properly and race back to the finish line.

Drayton's relay team outdid themselves by placing first. This was an inter-club relay with four horses and four riders passing a baton. Members of the team were Patsy Hoge, Ronny Schultz, Ricky Meston and our Queen, Margaret McCullagh.

Margaret did not bring home the top Queen award but put on a fine display of horsemanship. She also did very well in the personality appearance on television.

The club was very proud of Margaret as this year's Queen, also of all the riders who went to Edmonton.

Assistance Approved

Federal assistance under the Agricultural Rehabilitation and Development Act has been approved for the Watershed Research Study presently being conducted by the Water Resources Division of the Alberta Department of Agriculture.

The general objective of the program is to record the effect of agricultural development on the runoff and erosion characteristics of land presently under forest cover and to develop recommended patterns of land development and water control

The project will extend over a ten year period to allow time to observe the effects of a variety of annual climatic conditions and during which normal agricultural development will take place in an area which is initially virgin.

The first watershed basin to be used for the study is located in the Valleyview area, in the forested section of the province. It has a mixed cover of heavy timber, brushland and some muskeg. This is the first of an expected three or four research basins to be established, each with a different type of environment.

These basins will be, in effect, large scale laboratories in which the benefits of various types of land management may be observed and compared from a soil-and-water-conservation point of view.

The program will not affect the research area physically. It will be allowed to develop naturally as it is opened to homesteading and agricultural development takes place. Throughout this change, readings and observations will be taken to determine the effects of development on hydrological characteristics.

Preparation of the Valleyview research basin is expected to be completed in 1967, with the estimated completion date for the overall project, 1980.

Compounds of silver are very poisonous.

PUBLIC NOTICE

PUBLIC NOTICE IS HEREBY GIVEN THAT A VOTE OF THE PROPRIETARY ELECTORS OF the Town of Drayton Valley will be held on By-Law No. 371 of the said Town of Drayton Valley.

The following is a synopsis of By-Law No. 371:

A By-Law of the Town of Drayton Valley to authorize the Council of the said Town of Drayton Valley to add fluorides to the Town water supply for the prevention of tooth decay.

A copy of this By-Law No. 371 has been posted and will be kept posted in the Town Office and may be inspected at any time during regular office hours.

Polling will take place on Wednesday, the 19th day of October, A.D., 1966 between the hours of ten o'clock in the forenoon and seven o'clock in the afternoon at the Town Hall in Drayton Valley in Alberta at street address 5149 - 51st Avenue and at legal description Lots 43 and 44 in Block 1, Plan 6533 KS in the Townsite of Drayton Valley. I will be in attendance at the Town Hall on Wednesday the 19th day of October, 1966, at eight o'clock in the afternoon to sum up the votes and declare the results.

Given under my hand and the corporate seal of the Town of Drayton Valley this 12th day of September A.D. 1966.

W.G. Johanneson,
Returning Officer.

Oilwives Elect New Officers

Getting back after the holidays the monthly meeting of the Drayton Valley Oil Wives was held in the Cardium Room Monday, September 12, 1966. Eighty five members, including sixteen new members and four guests attended. A delicious dinner was served and enjoyed by the girls dressed in Klondike Costume.

Last year's executives were seated at the head table during the meal. Past president, Lil Ross presided over the first part of the business meeting. She presented gifts of cups and saucers to the retiring co-chairmen and pins to the retiring executive. These girls then stepped down and the new executive took their places at the head table. The 1966-67 executive are as follows: President, Jackie Timmins; 1st Vice-president Dot Booker; 2nd Vice-president Jean Ward; Secretary, Pauline Rehbein; Treasurer, Dorothy Pollock; Membership Chairman, Fay Shearer; Reservations Chairman, Gladys Schultz; Program Chairman, Dorothy Goss; Constitution Chairman Edna Henderson; and Historian, Stella Murray.

An election for publicity chairman was held and Helen Paley was elected for this position. A motion was passed that three members attend the convention in Calgary this year. Those attending will be president Jackie Timmins, Dot Booker, who is our nominee to the board and Stella Murray.

It was moved and carried that the October meeting be held Monday October 17th due to Thanksgiving falling on the regular meeting date.

A thankyou was conveyed by Pauline Rehbein to Dot and Don Booker, Helen and John Paley and Vern Rehbein for helping to build the Oil Wives Float for the Klondike Parade. A special thankyou was also given to Merv Ward for the use of his truck and to Jack O'Rourke for the use of the stage props.

A delightful evenings entertainment was lead by Bernice Neville in the form of a good old fashioned sing-song befitting the Klondike dresses.

FORMER TOMAHAWK MAN INVOLVED IN AIR CRASH

Friends of Ted and Helen Warren will be interested to learn that their flight and visit to Alaska and Tomahawk was ended this year with an accident south of Rapid City, South Dakota. This happened while Ted was bringing their new Helio six passenger seaplane from the factory at Pittsburg. Helen was waiting at Big Sandy, Montana.

You will be interested in seeing in the Post Office the sample jacket from his new book, "How to Make the Stock Market Make Money for You." He is justly proud of his "baby" which will be published in October. A copy will be presented to the Tomahawk Community Library.

Stamps Win Pee-Wee Opener

The 1966 Pee Wee Football season got underway last Sunday afternoon at the Lions' West Valley Recreation Park. The Stampeders, last year's community champions, went on to defeat the Eskimos 26-6 in the season's opener. The game was played under ideal weather conditions and produced a fine calibre of football for so early in the season.

There was little to choose between the two teams during the first quarter. From then on until the final minute of play, when the Esks rambled for their touchdown, the Stamps had a decided edge in play. The halftime score was 13-0 in favor of the Red and White and by three quarter time the Stamps led 19-0. The Stampeders scored another converted touchdown in the final quarter and the Eskimos finished out the scoring with a major on the second last play of the game.

Neil Samis led the Stampeders scoring parade with two touchdowns and one convert. Jay Meraw scored a touchdown and converted his own major score while Jerry Litke got the other six points for the Red Riders. Loren Regnier scored the lone touchdown for the Eskimo team.

The two teams are well on their way to a season of interesting and keen competition. At this time we of the Drayton Valley Recreation Board and the Drayton Valley Athletic Association would like to express our appreciation to the coaches, Bill Disney, Ricky Simon, Dave Disney and Dave Sleno of the Stampeders and Glen Cunningham and Doug Hall of the Eskimos for the very fine work they are doing with the boys on both teams.

There will be Pee Wee football every Sunday afternoon for the next seven or eight weeks. The time will be 2:00 p.m. and the place the Lions West Valley Recreation Park.

In the event that teams at the Bantam level may be playing here on a Sunday afternoon the Pee Wee game will likely preceed the competition at the Bantam level.

This weekend, the Drayton Valley Wild Cats, our Bantam team will travel to Calgary to play a team from the Stampede City. A return game will be played here later on in the season.

Rocky Rapids News

Congratulations to Mr. and Mrs. Steve Lysak on the birth of a daughter and to Mr. and Mrs. Fred Schollmaier on the birth of a son. As this is the first grandchild of Mr. and Mrs. A. Freier, Andy and Emmi are both wearing proud expressions to say the least.

Mr. and Mrs. William Louth are sporting a new car.

Mr. and Mrs. E. Lindskoog, and Mr. and Mrs. R. Belva attended a family wedding in Provost on the long weekend and visited relatives in Czar, Hughenden, Silver Heights and Amisk.

Mr. and Mrs. Norman Hanson and family spent the long weekend in Jasper.

Doris Stewart is working at Rocky Rapids General Store.

Mr. and Mrs. Albert Phillips and boys have moved to Drayton Valley where Mrs. Phillips is teaching this term.

Mr. and Mrs. Leslie Davidson of Slave Lake visited relatives in the district.

Auxiliary Holds First Meeting

The first regular monthly meeting of the Hospital Auxiliary for the new season was held Thursday evening with 10 members and one guest present

Doris Reed has found it necessary to resign her position as secretary and taking her place is Mrs. Valerie Courtney.

The president, Mrs. McKillop has arranged to have cook books printed. Each member will bring ten recipes.

Plans were made for a rummage sale to be held October 21st. If anyone has rummage items please phone Mrs. McKillop at 542-3977 or Mrs. Cross at 542-3952. Anna Jones volunteered to make posters for the event.

Members are reminded it is dues time again.

It was decided that we buy three sets of drapes for the hospital.

Water Skiing
WITH CLINT WARD

Improve your trick skis with these modifications.

Remove The Bindings. Shave lots of wood off the front and back edges. This severe bevel will give the skis a "propeller" look and will make them easier to turn as they will cut through the water rather than "catch an edge." Plane a dihedral of about ⅛ of an inch into the bottom of the skis from about 2 inches out to the edge. This will give the skis a convex bottom. The middle of the arch of your foot should go on the centre of the skis. Replace one set of bindings at this point. Throw away the adjustable heel plate and mount the heel piece directly to the ski. The binding on the other ski which is the ski used for one ski tricks. should be mounted an inch forward of the centre point. Replace the back slalom binding so that you can get your back foot in as close as possible to the front foot and mount the binding at a comfortable angle. Mount it "wide" so you can slip your foot in quickly during a run.

(Copyright 1966. Toronto Star Syndicate)

Drama Club To Meet

A meeting of the Drayton Valley Drama Club will be held on Wednesday, September 21st at 8:00 p.m. in the Recreation Office of the Town Hall

Major item of discussion will be the invitation to the club to perform in the One-Act Festival in Edmonton in late October or early November.

New members are invited to attend -- men are especially needed in the club.

RECEIVES WARDROBE

Mrs. Elsie Kazoleas recently received the lovely fall wardrobe won in a recent Coca Cola contest. The ensemble includes a lovely two-piece pink wool suit, complimented by a black knit shell, a black wool dress and charcoal gray wool slacks.

VISITED HERE

Weekend visitors in Drayton Valley were Mr. and Mrs. John Janzen of Vermillion. They were guests of Mrs. Janzen's parents, Mr. and Mrs. J. Hazzard.

The average water consumption per person in the United States is about fifty gallons.

Two things are bad for the heart - running up stairs and running down people.

Carnwood News

Mr. and Mrs. Roy Ellis had quite an experience on May 13, 1966 when they had a white throated sparrow arrive at their farm which had a band on each leg. Roy immediately wrote to the Wildlife Association and received a reply stating that this bird had been banded on October 6, 1964 near Marshalltown, Iowa, U.S.A. The bird had the misfortune to fly into one of their kitchen windows and collapsed and died. It is certainly surprising how far these little creatures do fly.

The community would like to welcome Mr. and Mrs. M. Wollen and family to the community. They were living in Lindale since June and have now taken up residence on the Ward place.

Mr. and Mrs. Gordon Gillespie and family visited the Alberta Game Farm over the long weekend.

Mr. and Mrs. George Hapgood and family of Edmonton were visiting at the home of Mr. and Mrs. Maynard Jorgenson and other relatives here. Mrs. Maynard had her grandmother from B.C. visiting with them for awhile.

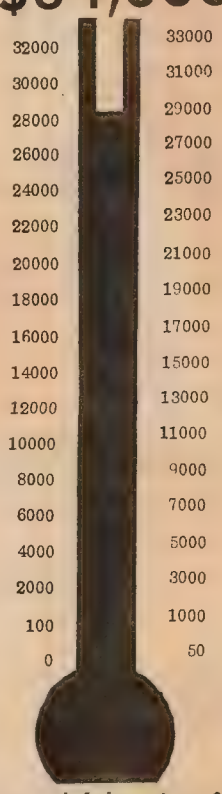
Kathy Hankins returned home from Red Deer to attend school.

A bingo will be held at the Carnwood Centre on September 24th and everyone is welcome. Posters will be out soon

Mr. and Mrs. Joe Saunders and family of Edmonton and Mr. and Mrs. Wallace Hanna and family were visiting with Rose and Jim Saunders.

Mr. Wm. Hankins and girls were visiting at the home of Mr. and Mrs. Reynold Jehn and sons of Warburg over the long weekend.

Centennial Fund
$34,000



Centennial donations for the week ending September 9, 1966 are as follows: Valley Tops; T.M. Electric Ltd.; R. McGregor; Lloyd Legeas; and Derrick Supply Ltd.

EVANSBURG NEWS

Mrs. M. Bruner, Correspondent

The official summer must be over for this year as last night we had our first frost of the fall. Now I shall see if my corn will mature or keep on growing like the beans in Jack and the Beanstalk.

Clubs are beginning to swing into action for the winter season, too, with a meeting of the Boy Scouts District Council scheduled for September 22nd at the Curling Rink here in the village. The Boy Scout Troop went camping over the weekend and by the reports of my Scout all had a very good time in spite of half-done pancakes, funny tasting water and so on. The Eagle Patrol came away extra happy for having conquered more points than the Beaver Patrol.

The Cubs have also started meeting at the Evansview School although the next meeting is to take place at the river park for the purpose of passing tests for various badges.

The Pembina-Lobstick Beef and Forage 4-H Club held their meeting last week. This meeting was especially well attended and the members spent a good deal of time in planning for the forage achievment day which will take place on October 28th followed by a banquet in the evening. It was decided that the Beef Club would re-organize at the meeting held on October 14th and new members will be welcomed to join. A film is to precede this meeting to be held in the high school.

Out of the district visitors were Mr. and Mrs. John Stecyk of Holden visiting their daughter, Mrs. M. Mazeppa.

Mr. and Mrs. L. Ropcean have moved from the motel in the village to their farm just south of the new highway and across from the Highways Department Yard.

Little Timmy Shulz has been been a patient in the Drayton Hospital but is home and feeling quite well now. Our latest accident was Lee falling off his pony and getting bruised up. He ought to be in school again soon.

Harvesting goes slowly in some spots as the grain is so rank that the fields are not drying out and the machines just get stuck. Perhaps after this frost the fields will dry out faster.
